Contractor's Guide to Change Orders -

BNi Building News

The term "change order" is ubiquitous in the construction industry, but you're unlikely to have come across it anywhere else. As a new practitioner, having a good handle on change orders is important; it's the rare case indeed where the parties won't have at least one disputed change order.

Avoid conflicting clauses in the contract regarding change orders. If the contract states the contractor can't commence work on any changes without a written change order, there shouldn't be language stating that the owner can order extra work to be performed without a compensation agreement.

## A Quick Guide to Managing Change Orders - ConstructConnect

The original contract can set out a fee for change orders or limit the number of change orders that can be submitted before extra charges are incurred. Contractors may also want to note in the contract that they are not responsible for project delays caused by change orders.
