Invalidators, or "nasty people" as Jay Carter calls them are everywhere. Parents, friends, wives, husbands, well they are just everywhere. People who want to shame and blame and humiliate you. People who want to trick you into arguments that you always loose because you are just an inferior, damaged person.

~~Nasty People: How to Stop Being Hurt by Them without ...~~

Oh yeah... like the word, it is a projection onto a screen (you, me) of part of who they are. Nasty people are, for Carter, individuals who invalidate others. He keeps the narrow focus throughout. Of course there are multiple faces of "nasty," and I kind of like the word. This is not a blame book.

Nasty People All Share This One Personality Trait. Psychopaths, narcissists, egoists, sadists and other nasty people all share one dark personality trait. A 'dark core' personality is shared by every nasty person, new research finds. Whether they are psychopaths, narcissists, egoists, sadists or spiteful people, they all share the same tendency to put themselves before others in the worst possible way.

Dealing with toxic people is something we all have to confront in our lives at one point or another. Narcissists, compulsive liars, sociopaths, manipulators, gossipers, and those wallowing in self-pity are just a few examples of toxic people. Toxic people always find a way of worming their way into people's lives, and creating drama and anarchy in order to manipulate a social circle to suit their needs.

~~15 Ways Clever People Handle Toxic People~~

People aren't mean for the sport of it, or because they are against you; people are mean to cope. Being unkind, more often than not, is a reaction to anger with ourselves or our perceived inadequacy. When I was rude to other people, it was because I was afraid they wouldn't like the nice me. I didn't mind if they were angry at the fake ...
